

AIRSTREAM® Basecamp

2027 TRAVEL TRAILERS

About Basecamp

Built for those who want the most out of their outdoor experience, Basecamp gets you closer to the adventure than you ever thought possible. A small camping trailer that's tough enough to go anywhere your wanderlust takes you, Basecamp lets you bring along the comfort so you can focus on enjoying your time while you're there. Hit the slopes in search of fresh powder. Spend a week mountain biking deep in the forest. Bring along the climbing gear and tackle the crags. Basecamp is true to its name: It's your personal, mobile outpost – and it's ready for whatever adventure you have in mind.

- The 3" lift kit for additional ground clearance lets you go further afield in search of the best outdoor experiences.
- Easily towable by many mid-sized trucks and SUVs.
- Aggressive departure angle is made for tackling uneven terrain.

Optional Solar Charging System
and Lithium Batteries

Panoramic Windows Offer Breathtaking Views

Rear Door for Easy Gear Loading

Alpine Lake

“ There’s nothing like coming back from a hike to everything you need to relax – a kitchen, a bathroom, and best of all: a shower.” **NAILAH** Basecamp 20X Owner

Blue seating and light countertops are crisp and soothing, mirroring the colors of the outside world.

Scarlet Peak

“ We love that it’s easy to tow, and that we have room to bring the whole family and spread out.”
DOUG AND HEATHER Basecamp 20X Owners

*Scarlet Peak decor is shown in the 16X floorplan - discontinued for Model Year 2027

Dark grey seating is accented by touches of bright red thread and pops of crimson throughout the trailer.

Basecamp Floor Plan

“ We were so excited when Airstream introduced the larger, 20-foot Basecamp – it’s perfect for our family. The kids love getting outdoors, and we love having a comfortable place to sleep at night.”
DESHAUN AND LETICIA Basecamp 20X owners

Basecamp Floor Plan

Experience Airstream's iconic quality and hand-made craftsmanship in a unique, riveted aluminum shape. Its aerodynamic body and roof profile slip through the air on the open road, helping fuel efficiency. And the panoramic front windows give you excellent views no matter where you set up camp.

Floor Plan Option	Exterior Width	Exterior Length	Sleeps	Hitch Weight (lbs.)	Base Weight (lbs.)	GVWR (lbs.)	Cargo Carrying Capacity NCC (lbs.)	Fresh Water Tank (gal.)	Gray Water Tank (gal.)	Waste Water Tank (gal.)	Refrigerator (12V Electric)	Ducted Furance (BTU)
Basecamp 20X	7' 9.5"	20' 2"	4	535	3,500	4,300	800	23	28	21	4.3 cu. ft.	19,000

Exterior Features

Basecamp is rugged and ready, with exterior features that let you focus on the adventure at hand. Open the large rear door and load bikes, snowboards, a kayak, and more. An outdoor shower lets you clean up pets, gear, or yourself before heading inside. And pre-installed wiring makes it easy to hook up solar panels and extend the amount of time you can stay powered off the grid.

[Explore more features the Basecamp has to offer](#)

1 Supplemental Solar Port

Expand your solar footprint by 200 W with a portable solar array (15A Controller Required)

2 Storage Above Propane Tanks

Keep essential gear close at hand

3 12V Tank Heaters

Help keep the tanks from freezing in cold conditions when you're not running the furnace

4 Keder Rail Accessories

Compatible with optional tent and awning accessories to increase your living space

5 Full Size Spare Tire

Hidden beneath the rear of the trailer

6 Rock Guards

Stainless steel rock guards and tinted window protectors deflect road debris

Go Further with Basecamp

If your ideal adventure is heading off the paved roads and getting as close to the action as possible, the Basecamp's rugged off-road features make it easier than ever. The extra three inches of ground clearance – along with Basecamp's already aggressive departure angle at the rear – mean you can tackle more challenging terrain. Stone guard and solar front window protection shields your investment from road debris, and all-terrain tires are ready for just about anything you can throw at them.

Details:

- A 3" lift kit for added ground clearance
- Goodyear® all-terrain tires
- Stainless steel front stone guard protection
- Solar front window protection
- Rear door for ease of loading gear

How It's Made

Informed by more than 90 years of quality craftsmanship and expert design, Airstream travel trailers are hand-made in Jackson Center, Ohio. Only the best materials are used – from seamless, waterproof composite flooring, to the cabinetry hardware and finishes, to the rivets and aluminum that form the shell. That's why an Airstream travel trailer can last a lifetime – or more – and be passed down from generation to generation for years of enjoyment.
